Nancy M. Hill, Leisure Arts : 10 20 30 Minute Scrapbook Pages (Leisure Arts #3730) (Memories in the Making Scrapbooking) before purchasing it in order to gage whether or not it would be worth my time, and all praised 10 20 30 Minute Scrapbook Pages (Leisure Arts #3730) (Memories in the Making Scrapbooking):

0 of 0 people found the following review helpful. Great Book for Beginning ScrappersBy Sunny SkiesI am a part-time scrapbooker and have created a couple of life history scrapbooks. I have more than 25 books and 30+ magazines just on scrapbooking.I bought this book for my sister because I have been trying to get her to scrapbook, but she said she was not creative. This book is a great book for simple, basic scrapbook layouts, perfect for a beginner. Because the layouts are simple, it is not intimidating to someone new to the craft. The 10, 20, 30 minutes that is indicated in the title is basically what you can do with one page in 10", if you have 20" it shows what additional embellishments are

possible with the same page. With 30", you have a full page with a lot of the bells and whistles. There are multiple layouts and pages in this book, using the 10-20-30" format. The instructions are simple and the photography is clean and easy to see. My sister looked at the book and with just a little encouragement has made some great pages. I highly recommend this book for the beginning scrapbooker OR if you want simple, clear layouts take you back to the basics. 0 of 0 people found the following review helpful. Not a great book By C. Luckie I have many scrapbooking books and this one is just not up to par. You can find simpler designs elsewhere plus there's nothing new in this book you haven't seen before. 9 of 9 people found the following review helpful. "Fun time is here" By Gloria A. Gordon I was so excited when I got this book. After browsing this book, I knew that the simple instructions and the vivid pictures would be easy to do, and they are just that! I'm so glad that you had this book. Looking forward to many fun days.

"Time-challenged" scrappers who love to scrap, but can't devote the hours that they would like to the hobby, will find quick-and-easy suggestions to speed the process along. The creative and simple ideas are perfect for "scraplifting" onto your page.
