Richard Cummings : 101 Hand Puppets: A Beginner's Guide to Puppeteering before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Hand Puppets: A Beginner's Guide to Puppeteering:

5 of 5 people found the following review helpful. simple puppetryBy Frances SchultzThis book is really easy to understand even though it's not pretty. The diagrams are black and white sketches but they're surprisingly

understandable. I didn't realize how simple making a puppet could be before reading this book. The book has diagrams, simple instructions and also little plays that go along with the puppets. When my husband and I have time (ha ha - we have a 14 month old) we plan to make some of these. 1 of 1 people found the following review helpful. AverageBy readalot Depending on what you consider as the definition of "beginner". Very basic and doesn't give you any useful tips / info. Not recommended unless you're really bored and have nothing else to do 0 of 0 people found the following review helpful. Five Stars By Alexis Perez excellent

This entertaining how-to book, with its simple, step-by-step instructions, makes it easy to create every kind of puppet imaginable from such handkerchief varieties as Spook-a-boo the Ghost (made with a simple twist of the wrist) for beginners and Flak J. Frog for performers at the intermediate level, to such special figures as a Box of Demons for advanced puppeteers who want to expand their cast of characters. A host of charming little personalities lead the way, among them such "instant" puppets as Bagdad, the paper bag gremlin; the Matchbox Monster, Spoonerella, and Carrie Carrot; "rainy day" puppets that include Robert Robot, Little Miss Muffet, Perky Pup, and Gordo the Wizard; professional puppets such as Pat the Policeman, Bird McDermitt, Klondike Kitty, Honk Kong, the Ape; and dozens of other delightful figures. Scripts for three plays as well as simple designs for stages and props are included, allowing performers of all ages to put on their own shows and have fun bringing their creations to life.
