Lynn Lorenz : 2 Pack - Twice Upon A Time: Twins Memory Books before purchasing it in order to gage whether or not it would be worth my time, and all praised 2 Pack - Twice Upon A Time: Twins Memory Books:

1 of 1 people found the following review helpful. Great baby books for twinsBy SarahGreat baby books for twins. I am using these for our twin boys born in June. I can feel like I am accomplishing something because these books are so easy to fill out and document the important things.2 of 2 people found the following review helpful. Love these!By CustomerI love these books! I received some as a baby gift for when my twins came along and just bought a set for a friend expecting twins. These books are great since they are pretty much fill in the blank. I love them. And I love that they read like a story book.0 of 0 people found the following review helpful. but the recipient of our gift of this declared them adorable and was enthusiastic in her thank you noteBy ReaderI didn't open the well sealed books, but the recipient of our gift of this declared them adorable and was enthusiastic in her thank you note.

Parents can tell the most exiting story of all - the birth of their twin babies!"Twice Upon a Time" is a set of baby memory books written just for twins. They are unique in that they tell a fairy tale, combined with the tale of Mommy's pregnancy, her twins' birth, and first three years of life. The books include simple, cute comparisons of the twins and also address each child as a unique individual. Full of colorful, adorable illustrations, one of the nice features about this set of books is that it's VERY EASY to fill in the details. Much of the work is already done for busy parents, with lots of "check-the-box" options. Don't get us wrong, there is SOME work to be done, but it's not overwhelming!

About the AuthorLynn Lorenz is an identical twin, mother of triplets and a singleton girl. She has been actively involved with various Mothers of Multiples organizations and has held officer positions with Central Jersey Triplets and More and the Greater Montgomery Mothers of Multiples. She has been a member of the National Organization of Twins Mothers Clubs, Triplet Connection and Mothers of Supertwins (MOST). Lynn is also the creator and owner of Just Multiples, a website offering a variety of products for twins, triplets and their families. Lynn lives in Pennington, New Jersey with her four children and husband Fred.
