**Lorna Knight : 200 Sewing Tips, Techniques Trade Secrets: An Indispensable Compendium of Technical Know-How and Troubleshooting Tips (200 Tips, Techniques Trade Secrets)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 200 Sewing Tips, Techniques Trade Secrets: An Indispensable Compendium of Technical Know-How and Troubleshooting Tips (200 Tips, Techniques Trade Secrets):

0 of 0 people found the following review helpful. So many useful skillsBy elaineI'm 65 and I've been sewing since I

was eleven, so I consider myself a master. However, this book has so many techniques I don't know or could use help with. Hundreds of sewing skills simply explained and with great illustrations, accessible to beginner or expert. I foresee using this book often, it's a must-have.0 of 0 people found the following review helpful. I love this book...By BriStaceI love this book!! Very informative! Different tips on how to sew with sergers, and regular machines; how to use paper patterns; using different types of fabrics and needles. Sewing techniques such as 3D shaping; shocking; hemming; quilting, etc.! Worth the money spent!2 of 2 people found the following review helpful. easy to understand information on sewingBy Richere GosselinThe information is easy to understand. There is just the right mix of words and diagrams. they have collected a wide rang of questions and answered them well, in an easy to use format.

All the insider tips and tricks for flawless sewing are here in the next book in our popular series. Perfect for all levels, this accessible reference offers concise instructions for basic and advanced sewing techniques, guidance on choosing tools and fabrics, fabric decoration ideas, how to achieve a perfect finish, plus the usual plethora of helpful hints, expert advice, and insider secrets that readers have come to expect from this best-selling series. The convenient "Try This" and "Fix It" boxes that run throughout expand your skills and fix common problems, and the mini-projects show you how to put to use the skills and techniques in the book. Whether it's a new undertaking, expanding your sewing knowledge, or just for inspiration, 200 Sewing Tips, Techniques Trade Secrets is your go-to, 24/7 personal sewing guru--perfect for both beginners and experienced sewers alike.

About the AuthorLORNA KNIGHT specialized in textiles at Queen Margaret College in Edinburgh. She spent ten years teaching design and technology in middle schools in the UK before setting up a business designing and making lingerie and running workshops teaching a wide range of sewing skills from both the couture and high street fashion worlds. Lorna also writes regularly for Sewing World magazine and has contributed to many sewing books and other fashion publications. Her previous books include The Sewing Stitch Bible, The Sewing Machine Accessory Bible and The Dressmaker's Technique Bible.Excerpt. Reprinted by permission.
