Carol Doak : 50 Fabulous Paper-Pieced Stars: CD included before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Fabulous Paper-Pieced Stars: CD included:

2 of 2 people found the following review helpful. ABSOLUTELY FABULOUS!By Melissa DavisThese are quite simply the most beautiful paper pieced star blocks you will ever see. Although complex and time consuming, even an intermediate quilter like me could do these. The book is easy to follow too--Just copy the templates and go to town! If you've never paper pieced before, watch a few YouTube paper piecing tutorials to learn the basic skills involved. There are a few different techniques people use, so it's important to know a little before you start. Believe it not, this was my first attempt at paper piecing--Which tells you that the blocks are not difficult as the look. The only downside is that the CD included is only a tutorial and doesn't have the printable templates. However, since the patters are SO

FABULOUS, I couldn't bring myself to remove a star. Don't be intimidated by these--If I can do them, so can you!5 of 5 people found the following review helpful. If you like paper piecing you'll love this bookBy quiltingnanIf you like paper piecing you'll love this book. The projects are larger than Carol's other ones. Her instructions are always extremely clear and easy to follow. I couldn't understand paper piecing until I bought my first Carol Doak book.0 of 0 people found the following review helpful. A PERMANENT LIBRARY FIXTUREBy MASmithI used this to teach a foundation piecing class where each student picked her own block to try. Wide variety of skill levels, lots of color and great instruction by an international teacher who knows what she's doing, does it exceptionally well, and translates it easily to her students. I'll put a block of one of these stars on tote bags for resale at fundraisers.

With the simplicity and accuracy of paper piecing, you can create these elaborate-looking Star blocks in a snap! Carol Doak, bestselling author of many books on paper piecing, is back with 50 original paper-pieced Star blocks--one for each U.S. state.Follow Carol's expert step-by-step instructions to make 50 beautiful blocks that finish to 12"Find ideas for mixing and matching block sections for fascinating original designs and intriguing secondary patternsDiscover inspiration for using blocks in a variety of projects, plus tips on enlarging and reducing patterns to personalize designs

"The results featured in this book provide a bewitching star for every state excellent instructions and diagrams." -- The Quilting Quarterly loaded with useful tips on paper piecing and how to affect the look of the designs. -- --Art You Wear, Spring 2001About the AuthorCarol Doak has greatly influenced the art and craft of quiltmaking for more than a decade. Her accomplishments include authoring over a dozen books and designing quilts that have appeared on the covers of nearly every quilting magazine in the United States, including Quilter's Newsletter Magazine and McCall's Quilting.
