**Better Homes and Gardens : 501 Fun to Make Family Crafts** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 501 Fun to Make Family Crafts:

0 of 0 people found the following review helpful. 501 Fun-to-Make Family Crafts By Customer A very nice book to use for craft ideas with children. My grandchildren have made several crafts from this book and we have found it well worth the money. The seller handled my order in a very timely manner and I received my book on the date it was to arrive. A very good choice in seller and merchandise. 0 of 0 people found the following review helpful. great book By Wendy Larson Really like this book. Whether you are a seasoned crafter, new crafter, parent working with child or a child working by him or herself, you will find something you will enjoy making. 3 of 4 people found the following review helpful. Great book of crafts for the holiday and fun with Kids By Rodney The wife enjoys all kinds of crafts. When she saw this book she knew it would be a keeper. She enjoys working up things to make with the kids. It provides a lot of things we can make with the kids. A fun family time.

This colorful book of crafts features fun-to-make projects that give families positive and creative reasons to get

together.

From the Back Cover The only thing better than making things is making memories. No matter what the season, enjoy gathering together to express your creativity. Hundreds of fantastic projects in this book will spark imaginations and provide hours of fun and conversation throughout the year.
