David Nash : 52 Prepper's Projects for Parents and Kids: A Project a Week to Help Prepare Your Child for the Unpredictable before purchasing it in order to gage whether or not it would be worth my time, and all praised 52 Prepper's Projects for Parents and Kids: A Project a Week to Help Prepare Your Child for the Unpredictable:

2 of 2 people found the following review helpful. another good bookBy Melanie RayI first bought 52 Prepped

Projects, which I loved, so when I saw this book I wanted to get it. It did not diasapoint. Lots of great information, ideas and projects. The best part is I can use it with my kids. This book has helped me get my daughter involved. I would recommend this book.0 of 1 people found the following review helpful. Decent book, not what I was expecting however.By M.KThe book is easy to follow and has many ideas. Most projects have pictures so you can see what it should look like. I was a bit disappointed however, as most of them aren't quite what I was expecting to find in a prepping for survival book. There's a lot of cooking recipes, a few different ways to make items for fishing, and a couple ideas for candles. A few other projects as well, but the bulk of the book is cooking, fishing, and candles.2 of 4 people found the following review helpful. Five StarsBy Matt ColeThis is the first book I have purchased from David. You can see my full review here: [...]

Prepare your child for the unpredictable through 52 prepper projects. Teach them basic outdoors survival skills, first aid, how to create their own "bug-out bag," and more.

About the Author David Nash is a verifiable preparedness MacGyver. He is both an academically trained professional emergency manager as well as a personal prepper. Nash is also an urban homesteader who raises a variety of animals, bees, and plants in a small suburban yard. He runs the popular preppers blog www.tngun.com.
