I was looking for cowl patterns so this is exactly what I wanted. Lots of pretty and different cowls and some infinity scarves also. Keep in mind this was put out by Cascade yarns so all the yarns are theirs but I usually don't go with recommended yarns anyway and can't find Cascade in a store. Just pick your own yarn and get knitting! 0 of 0 people found the following review helpful. Five Stars By TulipGreat! 0 of 0 people found the following review helpful. Love it. By Nancy Shriner I am asked to knit a lot of cowls scarves hooded scarves. The patterns in this book will set my family up for next winter. Love it.
