I. M. Nobody : A book about absolutely nothing. before purchasing it in order to gage whether or not it would be worth my time, and all praised A book about absolutely nothing.:

1 of 1 people found the following review helpful. ...By ZappleErr... Well, hmm. Remember that piece of classical music by John Cage 4'33" which is of utter silence? This reminds me of that somewhat. As there's nothing here. That's not entirely true, there are lots of blank pages. It's a form of art and would go splendidly next to such books as War and Peace and Duke Michel: The Mysterious Corridor.<https://www.youtube.com/watch?v=zY7UK-6aaNA1> of 1 people found the following review helpful. Nothing at all...By Girl And Dogs ReviewThis is a book about exactly what it

says. Absolutely nothing. The pages are blank. This makes a great novelty piece for the coffee table or to put somewhere near the front entrance. You can also use it as a journal to write down random thoughts about "absolutely nothing". 1 of 1 people found the following review helpful. Great for the coffee table! By Kinsman Bookworm Gang This book had me laughing...but don't expect too much from it (or even anything at all!) Great for the coffee table, great as a conversation point. (Even great for all those people who'd like to write their own book - just fill in the details on the blank pages!)

A book about absolutely nothing at all. A novel that isn't about any subject at all including fiction, nonfiction, fantasy or anything else that could be written about. This book is solely for entertainment and a conversation piece. It would make a great gift for someone's waiting room or parlor! It is filled with blank pages except for a table of contents. Please do not take it seriously. It would make a great little notebook too! I. M. Nobody's Don't Be So Serious Novelty and Gag Gift Books Collect Them All! These gag gift books make a great conversation piece for the coffee table or the bookshelf. They make an excellent prank and it's fun to just leave one laying around and watch the reaction of an unsuspecting victim. Make new friends and maybe even lose a few. Seriously they're NOT that bad, just don't be so serious! But usually they bring a smile to someone's face and that is priceless!
