Natalie Barnes, Angela Walters : A Modern Twist: Create Quilts with a Colorful Spin before purchasing it in order to gage whether or not it would be worth my time, and all praised A Modern Twist: Create Quilts with a Colorful Spin:

17 of 17 people found the following review helpful. Well Done!By JohnHWhat I like most about this book is that it goes beyond being a how to book and instead is also a why book, that explores the foundations of design. The author is a quilter, and this is certainly a book about quilting and quilt patterns but she uses examples from that medium to highlight fundamental themes of Color/Contrast/Composition. Patterns and instructions are included for some beautiful projects, and she also offers interesting personal insights in discussing those examples. The included Angela Walters' contribution offers some fine supporting perspective, as well.Well done!This is a review of the kindle edition

which is nicely done and does not suffer from some of the trade-offs that limit electronic formats. The color photographs and graphics are clear and the layout is easy to follow. I am looking forward to my hard copy edition, which is currently back-ordered. 2 of 2 people found the following review helpful. Glad I ordered. By TissyI started reading the first page which I don't usually do with quilting books. I usually look thru the patterns first then decide if this designer has the goods, but this one caught me at the intro. You know what???? There is actually valuable printed material besides some great patterns. And color advice! Who would have thought a new book for me would be so captivating. I'm even passing on my favorite team basketball game on tv. Now THAT earns you 5 stars. Seriously, good info, good patterns and very well presented. 2 of 2 people found the following review helpful. Great designs, a must have! By TM's GrandmaI have followed Natalie Barnes and her unique designs for years. This book is one of her best, and definitely a must have! She has always been ahead of the crowd with her innovative ideas. This book not only takes you into the realm of modern quilting, but Natalie's knowledge of design enables her explain the process. Put this on your wish list!

A Modern Twist - Softcover The perfect start to any project. These are a great way to add extra design to whatever project you want to add it to.

From the Back CoverBeyond the OrdinaryWhat happens when a corporate interior designer working for a global design and architectural firm turns her expertise to quilt patterns? Extraordinary designs! Natalie Barnes shows how to use color, contrast, and composition to achieve a one of a kind look. Included is a chapter by masterful machine quilter Angela Walters on using the stitching itself to complement these concepts. About the AuthorNatalie Barnes runs her own highly successful pattern design company, Beyond the Reef Patterns. Angela Walters is a long-arm quilter, teacher, and author who designs for Art Gallery Fabrics.
