Leslie Linsley : A Nantucket Christmas before purchasing it in order to gage whether or not it would be worth my time, and all praised A Nantucket Christmas:

People from all over the United States come to Nantucket Island to celebrate Christmas in the charming Early American setting. Every year, during the week after Thanksgiving, a select number of houses--most more than 200 years old--are chosen to be on a house-tour for visiting tourists and islanders. Leslie Linsley, renowned style and craft expert, and author of the recently published Leslie Linsleys Decoupage, is also a resident of Nantucket. In A NANTUCKET CHRISTMAS she offers ideas for Christmas trees, door decorations, mantels, and much more, all inspired by the homes of Nantucket. Also included are projects such as ornaments and stockings as well as festive recipes and inspirations for table settings and entertaining.
