**Beverly A. Maxvill : A Year of Paper Piecing: 12 Sensational Seasonal Designs (Block a Month)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Year of Paper Piecing: 12 Sensational Seasonal Designs (Block a Month):

Wonderful Designs!!By LeighI plan to make every one of these; however, I would not recommend this for the beginning paper piecer. Some of the designs are quite complex. A few of them would be suitable for a beginner. For the experience user, these patterns will make great gift quilts. I have a stand on my mantle with a mini-quilt. I plan to use these as single, finished blocks to change each month. It is rare that a quilter ever uses their own projects. You will want to keep a set of these :-).0 of 0 people found the following review helpful. One StarBy Chantal

Ideal for paper-piecing enthusiasts! Feature all 12 seasonal blocks in a queen-size calendar quilt or showcase the blocks one at a time on the interchangeable-block wall hanging. Fun block designs include a snowman, a turkey, hearts and roses, a teapot, a scarecrow, and wreaths. Each 12" x 12" block is spacious enough for quilting and embellishments.
