**Inc. Leisure Arts : Afghans for All Seasons** before purchasing it in order to gage whether or not it would be worth my time, and all praised Afghans for All Seasons:

The photos are great, and as always with Leisure Arts publications, the instructions are clear and easy to follow.22 of 22 people found the following review helpful. Love the "Seasons" series!By scientific momThis is the fourth "Afghans for All Seasons" book Leisure Arts has put out, and it is my favorite. I've made 4 blankets from it for gifts, and there are still others I want to do! The directions are easy to follow, using the usual abbreviations in all Leisure Arts books.I love the wide variety in all the "seasons" books compared to other Leisure Arts books. From my sister in Houston to my brother in Detroit, I can find a pattern suitable for any climate, age, gender, etc. I must confess I chose different colors for each blanket than the book has (to match decor) but that was easy to do.I also love the wide variety of sizes, complexity, and speed. I was able to make a large afghan for my tall brother very quickly because the pattern used two threads together. Another smaller baby pattern was perfect for

my friend's new nursery. One pattern that they showed in a solid color was easy to convert to two colors. Still another I made for my mother was an easy, repetitive pattern, so I was able to take the blanket anywhere to work on without bringing along the book (much easier to just sit and chat without stopping to check the book directions!) If you want to get just one book with a wide diversity of GOOD patterns, this or another of the "seasons" series is what I recommend. 0 of 0 people found the following review helpful. Five Stars By Lurline U. Curran Great book with wonderful patterns.

This new seasonal collection pulls together 52 of the all-time best tried-and-true afghans from the experts at Leisure Arts. For spring, there's a selection of afghans abloom with fresh colors. The summer afghans offer a lighter touch for sunny days, while autumn afghans enfold the rich hues of the harvest. And finally, winter's afghans are creations that compels nuzzling in front of a glowing fireplace while the snow drifts by. Stitch-by-stitch instructions and color photography make creating these afghans easy and enjoyable.
