Valerie Janitch : Alice and Daisy: Edwardian Rag Doll Sisters to Make and Dress (Alice Daisy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Alice and Daisy: Edwardian Rag Doll Sisters to Make and Dress (Alice Daisy):

But I was pleasantly surprised when I made one and it turned out well. I have now made two ragdolls and their wardrobe is ever increasing with ideas from the book. It has also prompted me to design my own things for them and I can't wait for the next book to become available on .

A pattern and instruction book for making rag dolls with a choice of hair styles. Then, chapter by chapter, are instructions for making a wardrobe for rag dolls, including petticoats, blouses, skirts, dresses, bonnets, a negligee and

a party dress. There are photos of Alice and Daisy throughout.
