Keiko Goke : All My Thanks and Love to Quilts: Art Quilts Created by Keiko Goke before purchasing it in order to gauge whether or not it would be worth my time, and all praised All My Thanks and Love to Quilts: Art Quilts Created by Keiko Goke:

5 of 5 people found the following review helpful. All quilters will appreciate this book By Judybuys I have this book in the Japanese version and loved looking at the photos, but it is so wonderful to receive this English translation and be able to read her comments. She does incredible work and it is a real inspiration to quilters and artists in general. You can spend hours studying the different quilts and will find new things to amaze you. A wonderful addition to a quilter's library 3 of 3 people found the following review helpful. wonderful book, beautiful photos. By cat stone I've been a quilter for over 30 years. I don't really need to buy books of patterns any more - I prefer books that I can sit down and really spend some time with, to read and pore over the photos at length. I have admired Keiko Goke's work for a long

time, so when I saw her book I had to order it. I love the Japanese aesthetic when it comes to quilts, layers of colour and stitch and meaning, and Keiko's work embodies that, especially her 'I wish we could all get circular' series. While there are several patterns at the back of the book, for me the book was all about absorbing all the detail in the wonderful photos, and marvelling at the skill and imagination she puts into every piece. 4 of 4 people found the following review helpful. Quilts ARE art By ImaQuilter Keiko Goke has long been a favorite quilter of mine. I love her colorful palette. I love her carefree designs. And I love that this book is in English. I do have an earlier book of hers that is in Japanese, but a quilter can enjoy the work without being able to read the text. My only disappointment in this book is that many of the quilts are also found in the earlier book. I had hoped for all new images.

Sew unique and lovely quilts in this contemporary Japanese style. Keiko Goke shares her award-winning artistry with you as she shows how to cut, piece, and stitch 70 of her best quilts. Easy-to-follow directions are provided for each project, with clear color photographs of quilts in progress.

From the Back Cover Sew Unique and Lovely Quilts in this Contemporary Japanese Style. Some of the most intriguing and beautiful quilts in the world today are being sewn in Japan. Keiko Goke, the first contemporary Japanese quilter to explode onto the international scene, presents her bold interpretations of traditional quilt designs in this new book. She shares her award-winning artistry with you as she shows how to cut, piece, and stitch her stunningly original designs. Keiko's quilts are wonders of irregular piecing, topped by applique, embroidery, hand quilting in multiple colors, and a variety of other innovative embellishments. This book chronicles four decades of her creative art with 70 of her best quilts. Learn to fuse asymmetrical designs with adventurous colors to create beautifully balanced quilts. Easy-to-follow directions are provided for each project, with clear color photographs of quilts in progress. A representative quilt pattern is provided for each of eight major quilting themes. You'll be amazed and delighted at the artistry and innovation of these distinctive quilts. Whether you're a seasoned quilter or just a beginner, you're sure to find inspiration on every page. About the Author Japanese quilt designer Keiko Goke has published several books on quilting and won quilting awards internationally. This book has also been translated into French.
