Roy Thomas : All-Star Companion Volume 1 (v. 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised All-Star Companion Volume 1 (v. 1):

0 of 0 people found the following review helpful. Five StarsBy CustomerFantastic! Lovingly detailed, gorgeous pics and interesting back stories. A must for comic nerds like myself.0 of 0 people found the following review helpful. all star bookBy Lewis Maggioragreat book chronicling all All Star issues2 of 2 people found the following review helpful. A must readBy AquillaTells all the essential details of the first team up book. A great read for any golden age comic collector.

Roy Thomas, internationally known as a major writer and editor for Marvel and DC Comics, has assembled the most thorough look ever taken at All-Star Comics! Drawing on his lifelong passion for The Justice Society of America, he traces its origin from its beginnings in the 1940s, through its rebirth in the 1960s, the 1970s resurrection of All-Star

Comics, and beyond. Thomas has compiled exhaustive research to highlight key issues, outline the genesis of this fabled series, and document the contributions of the artists, writers, and editors who made All-Star Comics one of the most sought-after collectibles in comics history. Along the way, he tracked down numerous pages from a never-published JSA story, presented here for the first time. In addition, there's a discussion of four "lost" issues of All-Star, plus more insights, explorations, and conjectures than you can shake a Junior JSA badge at! This second printing has a higher price point than the previous printing of this book.
