Here is the huge problem though- the size of the book is very awkward and small. In my bookshelf all my books are standard size of 8' by 11'. This book doesn't fit in well and is also awkward to hold. Plus some pages the print is too tiny to read. Also the book is really worth half the price rather than \$21. Meh. 0 of 0 people found the following review helpful. ... for an Alice lover and the book will not disappoint. Some many new facts and stories they are ... By bones 52 Bought this as a gift for an Alice lover and the book will not disappoint. Some many new facts and stories they are sure to like it. The size of the book is great, small and square and just perfect. I feel this was a very good purchase, and will make any Alice fan very happy. 0 of 0 people found the following review helpful. Even rare excerpts from the magazines Carroll created as a child for members of his family are featured here, alongside images of his most famous characters.
