Autumn Craig : Altered Art 101: Altered Book Techniques for Scrapbooking and Scrapbooking Mini Albums before purchasing it in order to gage whether or not it would be worth my time, and all praised Altered Art 101: Altered Book Techniques for Scrapbooking and Scrapbooking Mini Albums:

1 of 1 people found the following review helpful. It's alrightBy TracyI wanted this for inspiration to play with my zutter cutter and Bind-it-all. It is handy to have this on my kindle, and provides a little inspiration, but all in all I have

picked up better books from half price. It just didn't have as many projects as I was hoping for, and most of them aren't that original. 0 of 0 people found the following review helpful. Rip off alert By Cindi SI suppose I got what I paid for, but I certainly expected some content in this "book." You'll find more information in the introduction to many books than you will in this entire thing. This is a made-for-Kindle rip-off. 0 of 0 people found the following review helpful. Nothing new By Crystal All information is pretty common. The pictures are too small if there is even a picture to describe a technique. The last part of the booklet is just short simple directions with no pictures showing results. Deleting off my kindle.

Today's scrapbookers are always looking for fresh new ideas to enhance their creativity in their work as memory keepers. With over a dozen years of scrapbooking experience, Autumn Craig presents an indispensable guide to altered book techniques for scrapbooking and scrapbooking mini albums. You'll discover step by step instructions for a variety of techniques which you can apply an infinite number of variations to. If you want a unique look for that special page or mini album this book is a must have. All these techniques can be applied to any paper crafting activity including scrapbooking, altered art or card making. Autumn Craig is the author of Entitled Scrapbooking- a Resource for Page Title Ideas, Scrap in a Snap Proven 15 Minute solutions for the busy scrapbooker and co author of Weight Loss Scrapbooking. She is also the creator and lead designer for the Scrapbooking ideas website Love-My-Scrapbooking-Ideas.com. As a busy working mom who is caught up in her scrapbooking, she wanted to share the secrets of her success with all scrapbookers. This powerful book was created just for you.
