**Cheryl Potter, Sharon Mooney : Amazing Lace: 13 Handpainted Shawls With and Without Beads** before purchasing it in order to gage whether or not it would be worth my time, and all praised Amazing Lace: 13 Handpainted Shawls With and Without Beads:

0 of 0 people found the following review helpful. Lace shawls, my friend loves it.By S. HohamNothing jumped out at me once I got it. Not crazy about the paper it is on and it was a fair price, so I cannot complain. I was able to give it to a dear friend who really liked it.2 of 2 people found the following review helpful. I love this book!By CharlaAmazing Lace by Sharon Mooney and Cheryl Potter is just that, amazing!The thirteen beautiful lacy patterns range from simple to fairly advanced so there is something for every knitter no matter the skill level. You can really build your lace skills with this book, it's like sitting at the knit shop with Sharon in the chair next to you. If you want to try lace you need this book.What makes this book shine for me are the Designer and Dyer Perspectives with each pattern and the Lessons scattered throughout the book. Ive never considered why the designer chose that weight, type or colorway of

yarn. Does it really matter if its striped, splotched, tonal, short or long color repeats? Can I knit lace with it all? The answer is yes, it all depends on the design. The Lessons start with choosing the yarn and correct needle size, the importance of swatching, and how to measure gauge. There is a great lesson on making and picking up wraps and turns, with very detailed clear photos of both the knit and purl sides. Youll never have unintended holes again! Markers, lifelines, and M1s are all discussed with clear descriptions and photos, as are many other tips and techniques, as well as how to work from a chart. Of course since its Sharon Mooney you learn how to add beads and add some bling and sparkle to your life! I can't wait to cast on several of these beautiful patterns.

Cheryl Potter (Lavish Lace, Potluck Yarn Trilogy) and Sharon Mooney team up to bring you 13 amazing lace shawls (both with beads and without) made from hand-dyed yarn. Learn how to make every design your own with pages of tutorials and much more.
