Anne of Green Gables is a wonderful classic story and it gets 5 stars By Avid Reader Anne of Green Gables is a wonderful classic story and it gets 5 stars. This particular printing, however, is completely unacceptable. It's as if someone typed it into a document, and printed it off--no page numbers, not titled at the top of each page, the lines don't even break properly (see photo). Purchased as a gift, thankfully with enough time to purchase a better quality copy--probably for less money! A disgrace to the publishing community. 109

Initially, I was delighted to find this collection of books written by one of my all time favorite authors for only \$0.99 (kindle price. What a steal!) and felt I had to get the digital copy for my kindle at once. As soon as the product was delivered to my device, I began to read it since it's been years since I've visited the darling world that L.M Montgomery created.I was very surprised to find that I kept tripping on certain sentences; the writing didn't seem as smooth as I remembered. When I got to chapter 6, I decided to compare a sentence in the digital print to my old, yellowing physical copy of Anne of Green Gables book. I realized why I had some difficulty reading my new digital copy: THERE ARE TYPOS IN THIS PRODUCT.It contains the WORST kinds of typos. There are typos in which it results in sentences that don't make sense. There are typos with the wrong pronouns in them that make it confusing for the reader to understand which character the publisher meant to write about. I am able to follow the story because I've read Anne of Green Gables more than once with my hard copy but for new readers, these typos will make this beautiful story difficult to read and at times, understand.I hope the digital copy can be fixed so that owners can enjoy L.M. Montgomery's work as it was meant to be enjoyed. I have given this two stars instead of one because of the fabulous price for kindle readers.106 of 110 people found the following review helpful. Bizarre IllustrationsBy Kindle CustomerThe illustrations are actually random pictures that are creepy since they are in the beginning when Anne meets Mathew Cuthbert so they insinuate a romance between them. And the free audiobook is click bait to set you up to download an app and give your email address to spammers. Screen shots of the "illustrations" below.
