LOVED this book!!!By Vickyi thought this book was wonderful. as the most non-creative person on the planet, this book was inspiring w/loads of simple ideas

prepping pages. so glad i bought it.

What is It? Art Journaling for Beginners contains a series of art journaling prompts to get you started on your very first art journal. Requiring few formal art supplies and no experience, these art journal prompts are especially good for children or for those who have trouble with non-linear thinking. What's in It? After answering the question, "What is art journaling?" more than 100 prompts help you learn to integrate words and art and train your brain to accept "messy" as an acceptable alternative to "neat and tidy." This non-overwhelming introduction to art journaling might seem simple at first blush, but together these prompts can be interpreted in hundreds or thousands of ways! Buy the print edition so you can always keep it handy in your workspace. Or download the Kindle version now, and get started on your journal right away!

What Readers are Saying "...when I started to read through the prompts - the further I got - the more inspired I got..." - Growing Up Little "Fun and perfect for beginners!" -K.L.
