found the following review helpful. Easy UseBy MaggieThe instructions are clear. The patterns are easy to trace. I intend to make two quilts for two of my granddaughters using six different bird blocks for each alternating with star blocks.

Appliqu lovers, you'll want to make all 12 of these endearing blocks featuring robins, cardinals, orioles, and other feathered friends from the back yard. Designed in the lively Piece O' Cake style by Linda Jenkins and Becky Goldsmith, these blocks are bursting with fresh colors and are easy enough to be fun for stitchers of all levels. Pattern pack includes a 16-page instruction booklet and full-size patterns for 12 blocks, plus applique borders, that make a 52 x 65 quilt and instructions for a 4 block 39" x 39" quilt. Or mix and match your favorite blocks to perk up quilts, pillows, tote bags, or apparel.

This pack is an instruction booklet and full-size pattern for a quilt measuring 52 x 65. The theme is Backyard Birds and it consists of 12 block patterns with applique borders. Alternatively, you could use the blocks independently for bags, pillows or clothes. The patterns are all printed to scale. The instruction booklet is in colour with photographs and full diagrams to illustrate each step and assembly. here are further instructions for preparing backgrounds for applique, making the templates and a positioning overlay. Everything you would need to fully construct this quilt is covered in the instructions.
