Marian Parsons, Majestic Expressions : Barn Quilts: Inspirational Adult Coloring Book (Majestic Expressions) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Barn Quilts: Inspirational Adult Coloring Book (Majestic Expressions):

9 of 9 people found the following review helpful. 55 Quilt and Quilt and Barn inspired designs with Scripture references printed one side of the page By iiiireader[[VIDEOID:ae27f5855d0a66baa9e1ae036fcbcb3]] This is a lovely book of hand-drawn designs which emphasize both quilt patterns and scenes of barns with quilts hanging on them. While the majority of patterns are patchwork, some have the look of applique. On each of the designs, there is a Scripture quote and cite. The words are in a fairly small print and are not the emphasis of the design but rather there to be appreciated and thought about while coloring. It would be very difficult to read the words from any distance. The verses are from a wide variety of Bible translations. I have been looking for a coloring book of quilts and was really pleased to find this one as it has many quilt patterns and also the beautiful country scenes. The quilt pattern designs are fairly open and easy to color. The country scenes are highly detailed and contain intricate and small areas to color. It's a really nice mix of designs and color challenges in a single book. This is what I found when coloring in this book and testing the paper with my various coloring mediums: 55 Designs with Quilts, Barns, and Scripture quotes by artist Marian Parsons. Printed on one side of the page. Paper is medium weight, white, lightly rough and non-perforated. Glue Binding. Designs do not merge into the binding area and have a framing line at the outer edges. There is plenty of room

to cut pages out if you choose to do so. Book opens fairly flat for coloring if you crease or break the spine. Alcohol-based markers bleed through the paper. Water-based markers, India ink pens and gel pens do not bleed through but do leave a colorful shadow on the back of the page. Colored pencils work well with this lightly rough paper. I get good pigment lay down, can layer same and multiple colors, and blend easily with a pencil style blending stick with both oil and wax based pencils. Hard lead pencils can leave dents on the back of the page. I use and recommend the use of a blotter page to keep ink and dents from marring the pages below. I use a piece of card stock or several sheets of heavy weight paper. 1 of 1 people found the following review helpful. Barn quilts coloring book. By vsh25 Love this coloring book! Great images on wonderful paper. Definitely would recommend to anyone, and would buy again. Fast delivery service. 1 of 1 people found the following review helpful. Happy Wife By Roy Kessler I bought this for my wife. It is just what she wanted. She has participated in some of these barn quilt projects before.

Relax. Refresh. Renew. Life is full of demands. Appointments, deadlines, obligations, and constant digital chatter occupy every moment and build a mountain of unhealthy stress and tension. Research shows that coloring can be an effective stress reducer, but true rest and peace are found in God. Inspirational adult coloring books by Majestic Expressions incorporate these two ideas in one beautifully illustrated book. Inspired by the Barn Quilt popularity and many Barn Quilt Trails surfacing around the US, this coloring book features barn quilt patterns and pictures for you to color. It also includes Scriptures about the beauty of the earth, bounty, harvest, hard work, early morning, and creation. Color your own barn quilt and watch each picture come alive as you allow your creativity to flow freely, filling the intricate images with the beauty of color.

About the Author MARIAN PARSONS, aka Miss Mustard Seed, is a pastor's wife, mother of two little boys and a lover of all things home. She is a business owner, though she has never thought of herself as an entrepreneur. She is a self-taught designer and full-out amateur photographer. She is also a writer who totally abuses commas and relies heavily on spell check. Despite all of those things, here she is. A business that was started in the hopes of contributing to the family income has grown beyond anything she ever imagined or hoped for. She is now passionate about sharing what she has learned in the hopes of encouraging others.
