**Alice Beatty, Mary Sargent : Basic Rug Hooking** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Basic Rug Hooking:

4 of 4 people found the following review helpful. Good BookBy cassieI like this book. It is concise and just enough information to whet your appetite for rug hooking. Once you get into the craft you probably will have more questions than the book can provide answers. Also pleased it is available as a Kindle book. So many crafts I enjoy only come in paperback0 of 0 people found the following review helpful. Five StarsBy delanoladyBeautiful and well written by expert and teacher in the rug hooking field.0 of 0 people found the following review helpful. One StarBy Sherry Pellnot as expected

Now revised and updated, this has become the standard introduction to making wool rugs with the traditional handheld hook. Originally published as The Hook Book.

From the Back Cover Primitive crafts, once doomed to machine-age oblivion, are enjoying a lively revival. They are a favorite pastime of those who refuse to be gobbled up by an electronic age that quashes individuality.
