Cheryl Greider Bradkin : Basic Seminole Patchwork before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Seminole Patchwork:

0 of 0 people found the following review helpful. This is the book to have.By GallstonesWhen I buy instructional reference books I just want clear instructions. This book provides clear instructions along with color illustrations for 59 patterns. It also provides an excellent introduction on method and tools needed. If you want to know how to do Seminole Patchwork, even if you have never quilted before, this is the book to have.2 of 2 people found the following review helpful. Great method, stunning results!By MaggieDWell organized, many illustrations, directions easy to follow, suitable for confident beginner to advanced; If you enjoy piecing and haven't yet tried Seminole Piecing, consider giving it a try as these make great stash-busters and with close to the illustrated colors, these quilts are stunning. They look far more complicated than they are, and the techniques learned in each block and the variations of blocks will come in handy down the road in other quilts. I bought this along with Hanisko's "Simply Seminole" which

illustrates bolder fabric selections possible with this style and is equally as well written. Between the two, I will not need another Seminole Piecing reference book. I have been quilting 30 years, and wish I'd tried this style ages ago. 0 of 0 people found the following review helpful. Purchased this book years ago and liked it so much that I purchased it for my ...By Diana Ponstingl Purchased this book years ago and liked it so much that I purchased it for my sister. Easy to follow directions and such great looking quilting pieces to place in your quilts.

Important Note about PRINT ON DEMAND Editions: You are purchasing a print on demand edition of this book. This book is printed individually on uncoated (non-glossy) paper with the best quality printers available. The printing quality of this copy will vary from the original offset printing edition and may look more saturated. The information presented in this version is the same as the latest edition. Any pattern pullouts have been separated and presented as single pages. If the pullout patterns are missing, please contact ct publishing.
