Jessie Wail : Bath Bombs: 47 Magnificent Organic Non-Toxic Bath Bomb Recipes For Stress Relief, Detoxification, Dry Skin And Longevity! before purchasing it in order to gage whether or not it would be worth my time, and all praised Bath Bombs: 47 Magnificent Organic Non-Toxic Bath Bomb Recipes For Stress Relief, Detoxification, Dry Skin And Longevity!:

2 of 2 people found the following review helpful. Nice selection of essential oil blends
By Nana J Nice selection of essential oil blends. Bath bomb instructions are ok but not much detail on what to do if something goes wrong. Pictures would really help. Also, this suggest using food coloring which is not a wonderful idea. There are powder and liquid colors for body products that can be ordered on .2 of 2 people found the following review helpful. This is a great beginners book
By tellulater This is a great beginners book! A few things to point out: there are no photos, the book lists a handful of actual bath bomb base recipes, the "47" recipes mentioned on the title are actually essential oil blends to add the the bath bomb base. So if you want to learn more about essential oil blends this is also a great book. Overall, it's a easy and basic read that provides some essential information anyone wanting to make bath bombs should know. I would have given it 5 stars if there were photos and more detailed recipes.
1 of 1 people found the following review helpful. as they are super expensive to buy
By Jennica Ivie I have always wanted to make my own bath bombs, as they are super expensive to buy. This will give you step by step instructions on how to make them. Gives you details on what you need and you can easily follow along. Everything is laid out in a simple form. I cannot wait to start getting some made for gifts and myself. I received this at a discounted price for my honest review.
