Cindy Gorder : Beaded Crazy Quilting before purchasing it in order to gage whether or not it would be worth my time, and all praised Beaded Crazy Quilting:

0 of 0 people found the following review helpful. Great Beginners BookBy S. BurnettPros. The book is well written and would be great for any beginner. Directions were clear and the author pretty much encouraged creative thinking, while giving her preferences. There are several small projects for beginners to get their feet wet.Cons. If you are already familiar with beading and crazy quilt making, you may be disappointed. I also didn't agree with how the author constructed the patchwork by simply embroidering the seams. Again my opinion. I would prefer to construct the patch using a machine the same way you would construct a quilt block or paper piecing. I did however like that she recommended fusible facing instead of a hoop.Still worth 5 stars.93 of 93 people found the following review helpful. Excellent ideas for craziness on your quiltBy Carol NorrisI purchased this book to get some ideas for embellishing my crazy quilts and have not been dissappointed. This book explains the stitches well and also shows how you can place

beads with the hand embroidery to enhance your design. There are quite a few ideas and the pictures are very enticing. I have used several ideas from this book and gotten rave reviews on the quilt blocks I have done. Well worth the money! 0 of 0 people found the following review helpful. great book
By Kathy F
This is a wonderful book. Very clear, good ideas, descriptions, and photos. I borrowed it from the library so many times that I finally realized that this is a reference and inspiration book that I needed to own. This copy is in perfect condition, and it arrived amazing fast. They get my very best rating. A+++

Beaded Crazy Quilting Made Easy Throw out those old-school quilting rules and let expert quilter, Cindy Gorder, share her personalized tips and techniques for crazy quilting. Create beautiful hand-embroidered, beaded fabrics you could only dream about; they're a cinch to make with *Beaded Crazy Quilting's* easy-to-understand photographic instructions.
