David Constable : Beginner's Guide to Candlemaking (Beginner's Guide to Needlecrafts) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beginner's Guide to Candlemaking (Beginner's Guide to Needlecrafts):

0 of 0 people found the following review helpful. Five Stars By Customer Excellent product with fast shipping. 0 of 0 people found the following review helpful. Great book for beginners, but not much more than that. By Schultz Family Most of the info found in this book can be found online, but I gained a few new tricks from it. Very basic information, 1 of 3 people found the following review helpful. A bit disappointing By Coco's mum I was hoping there would be something on soy candles and more details on container candles but these areas are not covered very well, something I was not able to find out in the sample

David Constable illustrates simple projects to show how easy it is to make beautiful classic candles, spiral candles, colored candles, container candles, perfumed flower candles and floating candles.
