The Last Son of Krypton, Kal-El, Clark Kent, the Man of Steel...Superman. The most iconic character to come from the pages of comic books has a tremendously detailed history that has never been explained like this. In his debut book, Rob Jefferson of Comics Explained assembles Supermans entire publication history - breaking down every facet from the time period of his creation, its impact on his creators to the subsequent success and birth of the superhero genre. From paper to the big screen, Superman has transcended multiple generation, inspiring millions of readers and viewers along the way. This is his story, explained by one of the leading voices of comics from the world of YouTube.

About the AuthorRobert 'Rob' Jefferson is the voice behind one of the most popular comic book channels on YouTube. He's a Lexington, Kentucky based Youtuber specializing in comic book related content with over 20 years of involvement with comic books. He attended the University of Kentucky for 2 years. However, into his third year he departed after discovering his passion. His videos have garnered the attention of the YouTube and comics community for his highly informative content. This led him to form a joint effort with several other comic book YouTubers under the banner of The Weekly Pull. In addition to speaking publicly at various venues, as notable as the Rhode Island Comic Book Convention and Penny Arcade Expo. Benny Potter, a professional man-child, is the Comicstorian. With over 80 million views on YouTube, Potter (with the help of his team) has become the definitive source for all thing comic books online. As the executive producer for multiple YouTube channels, Potter has built up an audience with his unique brand of dramatic recaps on comic books, video games and movies. While managing multiple channels he also runs a YouTube mentorship program and has been producing content for other outlets. Potter spent 9 years in the military in multiple capacities and it was during this time that he developed his unique brand of teaching through entertainment. Whenever he has a moment to himself he likes to unwind by working on his personal comic series.
