I plan to make a Quilt of Valour as I personally know people who have served. Our Quilt guild, the Farmington Valley Quilter's Guild in Simsbury, CT did a Quilt of Valour Presentation. it was a wonderful experience. Have yet to choose what pattern I will do.2 of 2 people found the following review helpful. GreatBy QuilterA good book to add to your library.

I enjoy reading and working with this book. I make quilts for quilt of valor and for charity with my church sewing group.

Patchwork is patriotic in its own right, and it's absolutely glorious when it's overflowing with stars and stripes and fabrics in red, white, and blue! This big collection of the 30 best patriotic quilts from Fons and Porter's Love of Quilting magazine is filled with symbols of American pride. Quilts, throws, wall hangings, and table runners feature challenging as well as easy patchwork patterns, plus dashes of spirited applique. Whether made in traditional or contemporary fabrics, these projects are perfect for quilters who enjoy showing their love of country and their support for American troops who are fighting for freedom around the world. Standouts in the book include Fringed Stars, Flag Day, Flying Eagles, Heart of America, Liberty Hall, and the impressive Stars and Stripes Sampler.
