Star quilts are one of the most popular patterns with quilters, and the sky's the limit when it comes to the variety of star patterns that can be found. Patterns range from simple Ohio Stars to intricate paper foundation pieced designs. Quilts in this book from the editors of Fons Porter's Love of Quilting magazine and its special editions include a spectacular Mariner's Compass, a beloved Lone Star, a unique slanted star, and a variety of other traditional Star patterns for all skill levels. Each quilt is shown in a lifestyle photograph and an assembly diagram, accompanied by a complete

materials list and step-by-step instructions.

About the Author Marianne Fons and Liz Porter have been working together for more than 30 years. From teaching quilting classes in the 1970s and 80s, they went on to host the No. 1 quilting show on public television and establish the popular magazine, Fons Porter's Love of Quilting. They also operate a quilt shop in Winterset, Iowa, and a web site, www.fonsandporter.com.
