Mindful Coloring Books : Black Background Designs: Stress Relieving Mandalas and Patterns (Adult Coloring Patterns) (Volume 35) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Black Background Designs: Stress Relieving Mandalas and Patterns (Adult Coloring Patterns) (Volume 35):

9 of 9 people found the following review helpful. Gorgeous, black background pics!By rrrndaThIs black background coloring book is an ideal size to stick into a purse or tote to take with you. The pictures are a good quality, with different designs that appeal to many different levels of colorists, from beginner to advanced. The paper is a decent quality, but too thick, so if you use pens or markers, place a blotter page behind it when coloring. The pictures are one-sided so that helps to keep from bleeding onto the next picture. The book is glue bound, non-perforated. I would recommend this book for anyone who likes to color mandalas and patterns. Beautiful!I received this product for free for my honest opinion.21 of 22 people found the following review helpful. Great stress relief!By Lindsey JonathanLove this coloring book! The black background makes the pages pop! And I LOVE the color test page! I've never seen that before in a coloring book and it's so helpful! I've colored in pen and colored pencil in this book and both look great!10 of 10 people found the following review helpful. Colors pop!By Twin Granny 51Love the black pages! The black really makes the colors pop. I also like the smaller size, even though the designs are very intricate the color test page. Would have given 5 stars except the page has a white border. I would have preferred a totally black

page.

Looking for something just a little bit different to add to your coloring book collection? Here it is! Coloring against a black background will make your colors look even more vibrant and alive. Highlights: Gorgeous patterns and mandalas Swirly designs and detailed pages chosen to look especially great on black Easy, moderate and difficult coloring levels included Makes a wonderful gift!
