**(author) Jose Antonio Ares : Blacksmithing: Hot Techniques Striking Projects (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Blacksmithing: Hot Techniques Striking Projects (Paperback) - Common:

These amazing techniques and projects offer a modern twist on a traditional art--and they'll transform your image of the "blacksmith" forever. More and more people are discovering the creative pleasure of going into an iron studio, applying high heat to steel, and hammering or pressing the metal into interesting shapes. While often admired, the process can intimidate novices...but this beautifully...
