An important book for any serious Blenko Glass collectorBy CustomerA must for any serious Blenko Glass collector. An excellent source of background information and images of early Blenko production pieces. The saying goes "knowledge is power" then this book is one powerful tool. Also included are some reprinted catalog pages and advertisements. Beautiful images abound of this beautiful glass. If you or someone you know collects Blenko Glass, get this book!1 of 2 people found the following review helpful. Used booksBy Janelle RoachI had been looking for this book for a long time, at a price I could afford. Thanks to the second-hand bookseller, I could finally afford it! Plus, it came so much faster than expected.
