Shannon Foster : Book of Mormon Study guide: Diagrams, Doodles, Insights before purchasing it in order to gage whether or not it would be worth my time, and all praised Book of Mormon Study guide: Diagrams, Doodles, Insights:

16 of 17 people found the following review helpful. Five StarsBy mark j mazonThis book is amazing. It really helps me enjoy reading the scriptures.1 of 1 people found the following review helpful. BoM study satisfaction for visual/kinesthetic learnersBy ianI'm so thankful for this book! I learn much more easily of I can do something with my hands and see a visual representation of the topic. This study guide is both of those! I've always wanted to make daily scripture study a habit but it's been difficult because it's always felt like a chore. Now I really look forward to studying the Book of Mormon and filling out the worksheets for each section. Thank you for your thoughtful, and thorough, and we'll put together book. It really is a wonderful gift!2 of 2 people found the following review helpful. Maybe ours is a lemon? Very poor print quality.By Carly AllredThe content looks awesome, by the print quality of the book we

received is very poor. Instead of lines, it is dotted, and the letters/words are difficult to read. I'm not sure if we received a knockoff?? But it sure doesn't look like the quality in the pictures. I'm very disappointed.

This study guide is designed to fit the needs of various ages and study habits and is ideal for personal, class or family study. We have taken every chapter in 1 Nephi - Mosiah and provided study pages to help you really dig in and study every single verse! This study guide contains 116 pages of study pages and over 50 more note pages where you can record your valuable insights. If you like to doodle and draw - then you can fill your pages with doodles and drawings! Another person may want to write in great detail. Another may make lists, draw diagrams, etc. You can customize this study guide to your own personal preferences! We have provided you many diagrams to help you follow story lines, lineage, doctrines, etc. Also included are explanation pages. For example, there is a page that explains the history of Jerusalem, and another page that explains "The House of Israel". These pages will offer you valuable insights that you can easily reference as you are studying your Book of Mormon! Besides being a helpful study guide, this journal also provides a place for you to record what you are learning and leave a history of your thoughts and insights as you study your Book of Mormon.
