**Kimberly Aurora Kapur : Bouquet Chic: Wedding Flowers for More Than 160 Romantic Looks (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bouquet Chic: Wedding Flowers for More Than 160 Romantic Looks (Paperback) - Common:

With a few key techniques, some fresh flowers and Bouquet Chic, any bride can create her own magnificent wedding bouquet that makes a personal statement. This work urges readers to be inspired by the bride's gown and jewellery, sleek contemporary looks for both flowers and embellishments, the location of the wedding and unique colour choices.
