present. His father and grandfather both recieved versions of this book as boys

Ever wonder how to make a teepee, wigwam or lean-to? What it was like camping out before insulated sleeping bags? Bernard S. Mason answers these questions and more in *Boy's Book of Camping and Wood Crafts*. Everything from fitting everything you need (and what that is exactly) in one pack to building shelter and starting your campfire is explained in great detail and with easy to read diagrams and drawings.

"Written in 1939, this charming book provides camping and woodcraft skills, many based on practices used by Native Americans or pioneers." - Tampa Bay Tribune
