by arranging my own flowers, this book is perfect! Not only are there instructions and ideas for bouquets and arrangements, there are instructions on how not to kill your flowers before you can walk down the aisle with them. There are also helpful tips on how to not leave things to the last minute, division of labor and tips on how to decide who gets flowers. All in all, I feel more confident and much more professional regarding creating my own bouquets and arrangements! 1 of 1 people found the following review helpful. Not what I expected By yuwen I bought this book with Kindle. It's a good book, but not something I expected though. I was actually looking for more varieties, and the selections in this book is kind of limited. 0 of 0 people found the following review helpful. Great By Paulette Hilton I loved this book with all 4 of my children getting married I need all the help I can get
