David Popp : Building a Model Railroad Step by Step before purchasing it in order to gage whether or not it would be worth my time, and all praised Building a Model Railroad Step by Step:

0 of 0 people found the following review helpful. Four StarsBy deseretzephyrAn excellent primer for model railroad hobbists.0 of 0 people found the following review helpful. Five StarsBy Diane S.Nice write up. Helped in model railroad preparation. (Diane's husband wrote review)1 of 1 people found the following review helpful. A great book, I

enjoyed reading it and save it ...By Darrell SmithA great book, I enjoyed reading it and save it for reference when working on my layout. Lots of helpful hints.

Model Railroader Managing Editor David Popp details the expansion of his N scale Naugatuck Valley Railroad in Building a Model Railroad Step by Step, 2nd edition. Providing an inside look at building a model railroad from start to finish, new chapters highlight the addition of a sizable industrial switching area and delve deeper into operations.

About the AuthorDavid Popp is an associate editor for Model Railroader magazine. In addition to his interests in all-things railroad, he s been a high school English teacher, directed and acted in a number of different theater venues, writes music, and enjoys historical miniature war games. David and his wife, Ingrid, live in southeastern Wisconsin with their Mini-Cooper named Jack.
