**Tad Crawford : Business and Legal Forms for Crafters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Business and Legal Forms for Crafters:

0 of 0 people found the following review helpful. Nice bookBy AfflictedThis is a good book for people who earn money on their hobbies. They have several premade documents and some samples of when and where you will need them. It is designed to help aspiring artist protect their creations and encourages the use league protection. Business owners may need a book that goes into a bit more of the legalies than what this book has but it is still a good resource.

Thanks to websites like Etsy and eBay, the crafts industry has experienced exponential growth in the past decade, and this is the only business-forms book tailored specifically to the needs of craftmakers. This practical and easy-to-use addition to Allworths highly successful Business and Legal Forms series gives you access to thirty indispensable, current, and ready-to-use forms and negotiation checklists. All of these are made available both in print and on a

convenient CD-ROM, so that the forms can be copied electronically, modified, customized, and saved, ready for the crafters next project. Whether you're a regular at arts fairs, the owner of a brick-and-mortar crafts store, or selling your work on the Internet for the first time, you won't find a more useful tool in your efforts to grow your crafts business!
