Natalia Bonner, Kathleen Jaspersen Whiting : Cabin Fever: 20 Modern Log Cabin Quilts before purchasing it in order to gage whether or not it would be worth my time, and all praised Cabin Fever: 20 Modern Log Cabin Quilts:

7 of 7 people found the following review helpful. The book 'Cabin fever' quilting book is a book my ...By JenniferThe book 'Cabin fever' quilting book is a book my mom had seen advertised on a quilting show and had anticipated with excitement. My mom is a seasoned quilter who told me about. I also quilt and bought the book for both of us. It is a book of 20 variations of the log cabin pattern. It shows two color variations and detailed fabric buying and size information for a variety of quilt sizes. The pictures and instructions are detailed and helpful. The color graphs are also helpful. The book inspires quilting projects.5 of 5 people found the following review helpful. A Traditionalist Goes ModernBy K VigilI'm a traditionalist at heart, but find myself more and more attracted to the modern quilts I've been seeing lately. This fabulous book takes traditional Log Cabin construction techniques and makes them fresh and new. It's not just the fabric choices used, but new layouts and designs that I would have never even thought of. While they look fabulous in the fabrics that the author chose, I might try a few test blocks using Civil War or 1930s reproduction

prints to see how they turn out. 20 patterns, but endless possibilities! 5 of 5 people found the following review helpful. The instructions are easy to follow and the results are beautiful. By Elaine Stiles I saw this book on Nancy Zieman and ordered it. I have made 5 of the quilt tops (infant size). I plan to do all 20. I am a fairly new quilter. The instructions are easy to follow and the results are beautiful. I thought the book would help me learn to cut the correct size all the time and the correct 1/4" seam every time and it's working. I like the modern feel to this old block style.

Don't be square discover exciting log cabins in varied shapes and formations! The best-selling author duo put an imaginative new twist on the classic block with bold colors and dramatic lines. Packed with possibilities, this collection offers 20 quilts in 3 sizes, with a bonus chapter on throw pillows and shams. Quick-sew techniques (no curves here!) make it easy to stitch big quilts. These fresh layouts with straightforward construction are sure to inspire!

Explore these fresh variations of the Log Cabin block and create an eye-catching modern quilt for your home. (Quiltmaker, July/August 2015) These 20 quilts are a modern development of traditional Log Cabin blocks. They are simple blocks in clear bright colours. Only three techniques are used, Snowball block, half square triangles and pieced strips. There is an introduction to assembling the quilts but no quilting instructions, nevertheless the clear photos show the quilting designs. Each quilt has three size options; baby, a throw (60" by 72") and a bed quilt plus some cushions. There are alternative colourways for each quilt. It would be suitable for a beginner as the instructions and diagrams are easy to follow. (British Patchwork Quilting, March 2016) About the Author Natalia Bonner first learned how to piece and quilt on her home sewing machine and has now been quilting professionally for years. Natalia is an award-winning teacher, pattern designer, and popular blogger. She lives in Heber, Utah. pieceandquilt.com Kathleen Jasperson Whiting was named the first McCall's Quilt Design Star in 2009. She has won numerous awards for her quilts, and her designs have been published in McCall's Quilting. She lives in Utah with her family.
