Woodworking Class books will inspire you to build or restore wooden furniture with beautiful results every time. Clearly illustrated, carefully detailed and easy-to-follow instructions from first-class professionals will transform you into a capable craftsman and home-improvement expert. Following on from the success of Upholstery and Marquetry, Cabinet-making demonstrates the rewarding craft of cabinet-making for aesthetic and functional purposes. All the tools, materials and techniques you'll need to achieve this are described in detail to guide you through the various stages of cabinet-making. Also included are step-by-step instructions for six unique projects.

About the AuthorVicenc Gilbert is a professional architect who is responsible for the division of Construction Studies at the Universidad Politecnica de Cataluna in Spain. He has written widely on wood and been involved in numerous studies and publications on woodworking and construction.
