Earl Fowler : Can Crafts (Chilton's creative crafts series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Can Crafts (Chilton's creative crafts series):

0 of 0 people found the following review helpful. A well done book with easy to follow and precise instructionsBy k. o'reilly-arnoldA well done book with easy to follow and precise instructions. Written in 1977 so it could use a bit of an update - some of the cans he uses are no longer in use. An excellent primer in technique and design ideas. Book arrived in good condition.0 of 0 people found the following review helpful. Recycle your cansBy J. GuinsesThis is a way to recycle old cans into beautiful useful object. This book may not be for beginners because it is time consuming and needs lots of practice.
