Meredith Corporation : Cardmaking for Scrapbookers (Leisure Arts #4346) (Better Homes and Gardens Creative Collection (Leisure Arts)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cardmaking for Scrapbookers (Leisure Arts #4346) (Better Homes and Gardens Creative Collection (Leisure Arts)):

0 of 0 people found the following review helpful. it's okay By M Zochert Requires specific tools, cutouts, etc. to create the cards. The designs are good and can be used as ideas for cards. 0 of 0 people found the following review helpful. Good Book By Steven Turner The book is a great book to refer to when making cards. I have really enjoyed the book when working on cards. 0 of 0 people found the following review helpful. Wish the type was larger/darker, but

nonetheless . . . By mountain girl Some interesting and original designs for the more experienced card-maker. More than half are bumpy or heavy, making them problematic to mail (metal parts pierce the envelopes and bows get smushed), but the end products would make great in-person greetings. Book divides its offerings into invitations, gift tags, thanks, Christmas and Hanukkah, valentines/love notes, and generic thoughts/quotes cards. How-to directions are adequate and the settings in the pictures (THANK you, BHG!) do not distract from the detail of the cards--critical if you are puzzling out how to produce a new one. Unfortunately, no envelope designs are included--would be a shame to put these cards into a plain white envelope--they deserve better!

Use your scrapbooking supplies and this complete scrapbooker's guide to find cardmaking inspiration for any occasion. Leaflet features over 170 project ideas and includes a variety of themes.
