Ross Oar : Carving Wooden Santas, Elves Gnomes: 28 Patterns for Hand-Carved Christmas Ornaments Figures (Woodcarving Illustrated Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Carving Wooden Santas, Elves Gnomes: 28 Patterns for Hand-Carved Christmas Ornaments Figures (Woodcarving Illustrated Books):

1 of 1 people found the following review helpful. Rather excellent patterns By Terry McCammon As a beginning to slightly more intermediate carver, patterns are required. I cannot pick up a block and release the item from the wood. I can sort of draw, but if I want something that looks like what another person would think was the representation of

something they had actually seen or imagined before, I need a pattern. This is a book of patterns. Frankly some are a bit beyond me, that is not their fault. All look like they will work out, I have done a few and they worked out. 0 of 0 people found the following review helpful. Four Stars By Woodworkerok 0 of 0 people found the following review helpful. Must solder some parts like antlers, chair rockers and sleigh runners By Meowi Patterns for more advanced carvers. Must solder some parts like antlers, chair rockers and sleigh runners.

Woodcarving Illustrated Books presents its latest how-to guide for carving the jolly man in red and his crew of friends - elves, gnomes, reindeer and much more! With more than 20 delightful patterns from accomplished carver Ross Oar, you'll craft the adventurous Luge-Riding and Sky-Diving Santas, a Cowboy Santa, the classic Sledding Santa, European-inspired Olde World Santa and more.

"A delightful collection of more than 25 different designs featuring Old St. Nick and his friends each with an entertaining and jolly personality of its own." Chip Chats Magazine
