I gave it two stars for the effort that was put into it. It was not as substantial as I thought it would be. I did not return it because I did not research it enough to realise what a limited book it is. 0 of 0 people found the following review helpful. Five Stars By Maryse This is a grand group of quilts with directions a novice quilter will understand. 0 of 0 people found the following review helpful. Fun with Charm squares By Diann Great ideas for charm quilts (5 inch) squares. Great pictures and colors used. Easy directions for cutting and sewing. My group is cutting and exchanging squares and will use patterns out of this for caring quilts. They can easily made bigger.
