Dan Polydoris : Collecting Star Wars Toys and Memorabilia: The How-To Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collecting Star Wars Toys and Memorabilia: The How-To Guide:

0 of 0 people found the following review helpful. Great info but no imagesBy Darran HightThe Kindle edition has no other images except for the cover. The info is great but I would like to see some of what the author is writing about. It may be my last kindle book without me checking one out first.0 of 0 people found the following review helpful. Quick readingBy VeronicaThis is a short book and gets right to the point. It goes a little too way but its a star.

Are you a Star Wars FANATIC? Then its high time you quit being a collecting apprentice and became a collecting MASTER!
